Sir/Madam,

It is to inform that a dedicated finance website (with the link <http://www.finance.du.ac.in>) under "Finance" sub-head on Delhi University website has been inaugurated by the Hon'ble Vice-Chancellor and is now live. The website is aimed at providing a single point destination for the finance related information and utilities, some of which are as under:

- **Students' spot** for online payment of UG/PG/Misc. fee, scholarships etc
- **Employees' spot** for generation of salary slip, medical reimbursement, TDS declaration etc.
- **Pensioners' spot** for monthly pension release statements, calculating pension, CPF/GPF court cases etc.
- **Frequently Asked Questions(FAQ)** about CPF/GPF issues, LTC, Pension, e-Procurement etc.
- **Sou- Moto Disclosures** under the Right to information act (RTI).
- **Circulars /Notification** issued by the University/UGC/MHRD pertaining to Finance dept.

Further, it is also brought to the notice of all the concerned that now onwards all the Finance circulars/notifications will be available only in digital mode on the Finance website and hard copy circulation has been discontinued with immediate effect, in order to promote digitalization and save paper. Ignorance of rules and regulation, non-circulation of hardcopies, non-availability of internet/speed etc. may not be quoted as excuse for not following the rules and regulations of UGC/MHRD/D.U.

Yours Faithfully,

(ZVS PRASAD)

Finance Officer
